

# INVITATION TO MINI SEMINAR ON **BREXIT'S CONSEQUENCES** WEDNESDAY, APRIL 10<sup>TH</sup>, 12:00 – 16:30 PM

The Danish branch of Norway's largest bank, DNB and NDCC – Norwegian-Danish Chamber of Commerce and Culture have the pleasure of inviting their clients and corporate members to an event, where the possible consequences of Brexit – irrespective of how it all ends – on Norwegian, Danish, European and global economics and politics are explored and discussed.

Brexit has already captured the interests of both companies and individuals since the results of the referendum was a fact, and increasingly so, as the negotiations within the UK and between the UK and the EU have evolved; until now without any unambiguous resolution or clear vision for our future relations. However, without any one of us knowing what the situation looks like on April 10<sup>th</sup>, we have decided to pursue this event as a unique opportunity to indulge in three different angles on the situation.

To make sure that all perspectives are duly represented, and authoritatively so, we will be welcoming the UK ambassador to Denmark, **H.E. Dominic Schroeder** to address the attendants as keynote speaker and guest of honour. Two more keynote speakers will share their views on the situation; former editor-in-chief of Politiken, **Bo Lidegaard** and Senior Advisor of the Confederation of Danish Industry, **Ulla Lyk-Jensen**.

The event, starting with a light networking lunch, takes place at **The Norwegian Ambassador's Residence, Valeursvej 6, 2900 Hellerup**. As seats are limited, the earliest possible registration is recommended.

Entry is free of charge, but requires registration at [kontakt@ndcc.dk](mailto:kontakt@ndcc.dk) before March 29<sup>th</sup>

Yours Sincerely

Fredrik Åberg, General Manager of DNB Denmark and Steinar Valade-Amland, Chairman of NDCC
